

Thank you for purchasing this license to use the textures in this pack!

The following conditions for usage apply:

What you may do with these textures:

- ~You may apply to your own prims or sculpts for personal use
- ~You may apply to your own prims or sculpts for sale provided either the copy permission or the transfer permission is unticked. In other words, your creations textured with the textures in this pack must be either no copy, or no transfer.
- ~You may share the textures in this package with one (1) recognized business/personal partner who will be accountable for following the same terms as explained in this document with the exception that your business/personal partner may not share these textures with anyone else, inside or outside of Second Life. Should you change partners or add partners, new partners will have to purchase a new set of textures.
- ~If these textures are fabrics and findings, you may use these to combine with your clothing designs/templates to be sold as items of clothing inside Second Life only. If you wish to sell items of clothing which contains our fabric/findings as part of the design on any grid other than Second Life, you must purchase the fabrics on that grid (if available).

What you cannot do with these textures:

- ~Do not under any circumstances use these textures on any hypergrid enabled virtual world
- ~Do not resell these textures as textures under any circumstances
- ~Do not remove "Adaarye Shikami and/or Toni Friller" as creator of these textures by any method (exception: See the conditions above and below regarding fabric and findings.)
- ~Do not place on or inside full perm, or copy and transfer enabled prims or sculpts to give away or sell
- ~Do not place on or inside full perm, or copy and transfer enabled link sets to give away or to sell
- ~Do not share with other residents
- ~Do not "save file as" to your hard drive for modification or any other purpose (See Second Life ToS). If you are concerned about back up, keep your purchase information and we will always provide you a back up copy in the event that your files are lost
- ~Do not use any program or client to export these textures as textures outside the Second Life grid.
- ~Do not use any program or client to export these textures applied to or inside prims/sculpts outside the Second Life grid.
- ~Do not use any program or client to export these textures applied to or inside a link set, outside the Second Life grid.
- ~Do not use these textures outside of the Second Life grid.
- ~Do not export these patterns/designs/fabrics outside of Second Life as an addition to your clothing/clothing templates.
- ~Do not make our fabrics/findings/patterns or textures part of any ready made clothing textures/templates to be resold full perm to end users.

This license is not transferable
