PRIM WEIGHT

Empty

Motor version : 42 prims

Static version : 30 prims

Rezzers

Lights : + 7 prims

First floor : + 32 prims

Second floor : + 31 prims

HOW TO DRIVE WITH MOTOR VERSION

***** WARNING ! *****

YOU CAN ONLY DRIVE WHEN BOAT IS EMPTY.

Rezzers / personal stuff won't follow the boat when driving.

Don't forget to de-rez all before driving.

UNLINKING BOAT IN EDIT MODE WILL MAKE THE DRIVING SCRIPT UNUSABLE.

***** END WARNING *****

Right clic on the boat and choose "board"

Arrow up : forward

Arrow down : back

Right/Left arrows : turn

Page down : stop boat

There are 2 benches for passengers near the pilot, with 2 seats each (4 passengers)

Just left clic to sit.

HOW TO USE REZZERS

There are 3 separate rezzers on the rear-down terrace.

- Lights (7 prims) : rezzes 4 lamps and the switch, which will take place right of the main door, outside. Switch activates all lamps.

- 1st floor (32 prims): rezzes first floor stuff : kitchen linkset (kitchen, table, chairs, rug), shower, toilets.

- 2nd floor (31 prims) : rezzes second floor stuff : bedroom linkset (desk, sofa, rug), sex-bed.

how to rezz :

Clic on a rezzer.

In the menu, clic "rez". Wait all is rezzed.

Open the menu again and clic "stealth" to make green texts invisible.

Once rezzed, you can edit and delete some stuff if you don't want it. All will re-appear at next "rez".

To de-rez all, clic on a rezzer and choose "derez".

***** WARNING *****

Stuff rezzed from the rezzers will follow the boat if you move it manually (for example to adjust parking), but won't if you drive !

Personnal stuff you may add won't follow the boat in any way, unless you link it with the boat (not recommended unless you really know what you're doing !).

You can of course forget the rezzers and furnish the boat with your own stuff. If you do so, no need to unlink the rezzers prims, they only impact weight of 1 prim.

***** END WARNING *****

HOW TO CHANGE FLAG

Edit boat and be sure you are in "modify" pannel.

***** WARNING *****

BE SURE TO TICK "CHOOSE FACE" OR YOU WILL RETEXTURE THE WHOLE BOAT !

***** END WARNING *****

Apply your own flag texture on both faces of the flag prim.

HOW TO EXTEND / FOLD DOWN THE REAR TERRACE

Just clic on it (ground or fence) !

ENJOY !
