TAGG'S LITTLE DIAPER SHOP

Tagg's

Little Diaper Shop®

The clothes comes with scripted underwear and scripted prim diapers:

The underwear script can:

- Wet, mess your pants
- Timer: choose when you could have accidents
- Put the script on or off
- Caretakers (add, remove them)
- Public mod so everyone can control or change you
- Quiet mod (no public text appears, but it is still evident that you had an accident)

Taggies diapers:

V4.0 (integrated in Version 4.2)

V4.2:

- For every step one prim appears
- More than one big accident possible
- 3 Overpants: plastic pants, swimpants, clothes pants
- Leaking now even for big accidents
- Leaking can be put off (independently from the overpants)
- Color of small and big accident is not so intense
- Put the gender to male or female
- Can have accidents
- Get thicker when you have accidents
- Leaking to the ground when the diaper is flooded
- Brown particles appear when you have an accident
- With On and Off
- With plastic pants that can be put on or off
- With plastic pants, no leaking on the ground
- With quiet mode so no one knows when you have an accident or when you change yourself
- Has a timer (between 5 and 60 minutes) and a random generator
- Add caretakers that can change you
- Put the diaper on public mode so everyone can change you
- Use the mat to change (mat is temp so you can even rezz it if there is not enough prims on the sim)
- With typical diaper sound
- Pinch, Tickle or Spank the Butt of the diaper holder and he/she will fill the diaper, or perhaps not....
