

CDS-Imagination-EULA (End User Licence Agreement)

By purchasing prefabricates from *CDS-Imagination* you are agreeing to the following terms of use:

SCRIPTS:

- you CAN use the scripts in the builds you SELL in Second Life® or on the Marketplace®
- you **MUST NOT** distribute the scripts with MODIFY permissions or the scripts' content to any third person in Second Life® or outside Second Life® including but not restricted to websites and other virtual worlds.

TEXTURES:

- you CAN use the textures for texturing the builds you SELL in Second Life® or on the Marketplace®
- you CAN download these textures to your computer and modify them if needed.
- Again you can use the modified textures for texturing the builds you SELL in Second Life® or on the Marketplace®
- you **MUST NOT** sell or give away the original or modified textures to any third person in Second Life® or share these textures with anyone outside Second Life® including but not restricted to websites and other virtual worlds.

SCULPT MAPS (textures):

- you CAN use the textures to create your own prims, which can be used in the builds you SELL in Second Life® or on the Marketplace®
- you **MUST NOT** sell or give away the sculpt map textures to any third person in Second Life® or share these textures with anyone outside Second Life® including but not restricted to websites and other virtual worlds.
- we sell the sculpt maps NO MOD and protected by an ALPHA CHANNEL.

SCULPTED PRIMS:

- you CAN use the pre-created prims in the builds you SELL in Second Life® or on the Marketplace®.
- you **MUST NOT** distribute the pre-created prims or prims created using *CDS-Imagination* sculpt maps with COPY+TRANSFER or FULL permissions.

SHADOW MAPS (textures):

- you CAN use the textures for texturing the builds you SELL in Second Life® or on the Marketplace®
- you CAN download these textures to your computer and modify them if needed.
- Again you can use the modified textures for texturing the builds you SELL in Second Life® or on the Marketplace®
- you **MUST NOT** sell or give away the original or modified textures to any third person in Second Life®
- or share these textures with anyone outside Second Life® including but not restricted to websites and other virtual worlds.

OPEN SIM GRIDS and SERVERS:

- you CAN import the above mentioned *CDS-Imagination* products to your personal OS based server for testing purposes.
- The server **MUST NOT** be publically accessible.
- you **MUST NOT** share or upload any of the above mentioned **CDS-Imagination** products in any OS based GRID or server open to public.

Nanjan OHare,
CDS-Imagination
