

SELO GROUP JOINER v1.0 NOTECARD

Hello and Thank you for your interest in my SELO GROUP JOINER.

SETTING UP: Please make sure you are wearing the right Group tag while you are rezzing this SELO GROUP JOINER. If you want to change the Group of the item right click on it... Edit... General Tab... Group... Set... Choose the new Group... Ok... Close the windows. Now it will invite people to that new Group you just set upon touch.

USING: It is very simple to use this SELO GROUP JOINER:

1. Click the panel and it will show you a link in local chat,
2. Click that link and you will see the Group page,
3. Click Join button there, you are in the Group.

Please IM me if you need any help with this SELO GROUP JOINER.
