

HXVI - AV ATTACHMENTS v1.0

Hi, thank you for your purchase...

With this HUD you can silently spy what other people is wearing and find our the creators of that nice outfit someone is wearing...

Works on non-script areas(has to be attached before enter the non-script area)

SIM wide scan and list display.

Creator name presented in front of the item name as a link to the creator profile.

Tell your friends what the avatar is wearing, directly.

Brief explanation on how this HUD works:

1° Attach it as a HUD...

2° Click on it...

You will get the main menu, select if you want to see what the person is wearing or tell a friend.

3° TELL ME

The HUD will now present you with the list of avatars on the sim to select your target, once you pick the person the it will say to you(only you will see it) on the local chat window what the avatar is wearing.

3° TELL FRIEND

The HUD will present you with the list of avatars in the sim for you to pick your friend(only him/she will see the chat messages) and right after you will be presented with the list of avatars on the sim once again to pick your target.

Who to tell what some one is wearing....

Select your target....
