

## Instructions

A music box with a hologram that plays a melody when opened and projects words of congratulations. The name of the person being congratulated can be added (no more than 8 characters, only Latin letters and dot, minus and space characters). Please use spaces to center the name. To add a name, type it in the description. Don't forget to take music box back to inventory! You can send it to your love now.

-Touch to open the box, you will hear music and a hologram will appear.

-Touch again to turn off the music.

-And touch again to close the box.
