Product Instructions

1. To sit, simply sit on a chair and a automated menu will give you a male or female sit option. The chair will remember your last chosen pose and will automatically sit you in that pose unless you select otherwise.
2. To rez a scene from the desk, simply click the desk top to view the menu. Select your scene (Gangster, Gardener, Nostalgic) from the menu. Select Clear Desk to clear the desk, to rez a new scene to replace the old one.
3. Bookcase and end table are stand alone pieces to accessorize this set.
4. Enjoy!
