

Tranquility - USER LICENSE AGREEMENT

PLEASE READ AND KEEP THE PROOF OF PURCHASE CONTAINED WITHIN YOUR PURCHASES.

By purchasing a license to use the textures, sculpts, meshes, poses, animations, sounds and/or scripts in this package, you agree to the following terms and conditions:

- 1.) The components contained within this package are strictly for content creation only in the virtual world of Second Life. Licenses for other worlds may be purchased from Lyta McKeenan.
- 2.) The components (textures, sculpts, meshes, poses, animations, sounds and/or scripts) contained within in this package may not be resold, given away, or otherwise distributed.
- 3.) Finished goods made with the components contained within this package may be sold with Transfer OR Copy permissions. They may NOT be sold or otherwise distributed with Transfer AND Copy permissions.

You may not:

Resell or distribute any textures, mesh components, poses, animations, scripts and/or kits that you have purchased or received as a gift from Tranquility as components with or without full perms. These items are intended for you to use in your builds that you sell.

Transfer any components or kits to your business partner or alt's. They will need to purchase their own copies.

Sell or transfer components from Tranquility with Full Perms.

Export any textures or components from Second Life with the intent to sell in other virtual worlds or online platforms.

You May:

Sell finished builds or creations using components obtained from Tranquility as long as the permissions are either No Copy OR No Transfer.

Use mesh objects as part of a finished build.

Download Tranquility textures to your computer for the purpose of applying AO's or making color adjustments for use in your finished builds in Second Life only. You may not resell or redistribute Tranquility textures in Second Life or any other grid/virtual world or online platform.

All components contained within remain Copyright © 2009 Lyta McKeenan and DBA TranquilityManager Resident.
