

Covey Stargate

The Covey Stargate is an experience teleport system that gives the visual experience of a stargate based on the movies and series.

It works by adding Lankmarks to the object inventory. Then click on the item and select your location.

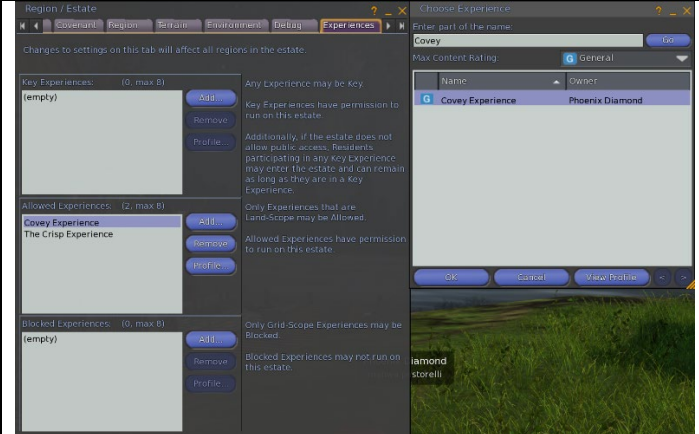

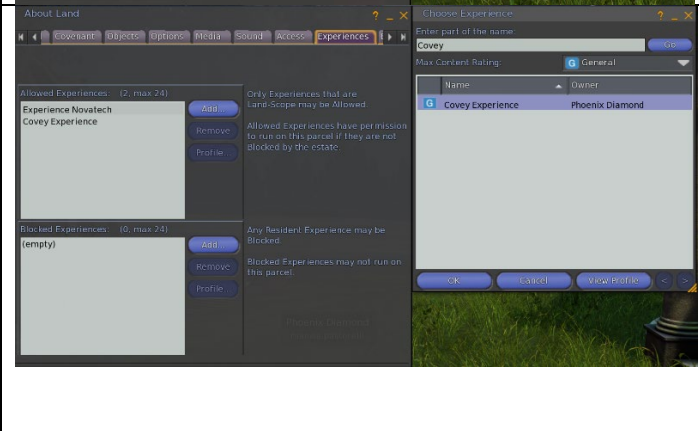

Enjoy the visuals, perfect for all kinds of situations.

The glyphs rotate, the chevrons lock into place, then the portal opens and you can walk through.

Adding The Covey Experience To Your Land

Experience Teleports – Adding to the Estate or Parcel

	<ol style="list-style-type: none">1. World Menu, Region Details2. Experiences Tab3. Under Allowed Experiences, click Add4. Type in Covey in the search box5. Click on the Covey Experience to select it, then click ok.
	<ol style="list-style-type: none">1. World Menu, Parcel Details2. Experiences Tab3. Under Allowed Experiences, click Add4. Type in Covey in the search box5. Click on the Covey Experience to select it, then click ok.

Once you have accepted the Covey Experience, you can teleport anywhere using the Stargate.
