## TERMS & CONDITIONS

Textures purchased with Linden Dollar and delivered within secondlife.com

Textures provided by the licensor remain the property of TRU Textures Ltd and/or its registered contributors at all times, before and after transaction.

You are purchasing the license to use these textures in accordance with the terms and conditions set out below. You do not, at any time, become the legal owner of any artwork or content sold with this license. Upon purchasing content from TRU Textures Ltd you are by default agreeing to the terms and conditions of this license.

You have the right to use purchases artwork as detailed below:

Personal and commercial content creation within secondlife.com only.

You may NOT

Repackage and distribute TRU textures in either their original or edited state.

This includes:

Sharing in "Texture sharing groups" in or outside of secondlife.com, sharing with friends or other members of secondlife.com giving or selling the textures from any area within secondlife.com including the SecondLife Market Place (formally Xstreet) Exporting textures out of secondlife.com with the intention to distribute, share or give for free or profit. This includes burning to DVD, CD or any other form of physical or electronic distribution.

You MAY

Save textures to your computer for the purpose of editing in your own 2D or 3D applications for use within secondlife.com only. This does include commercial use in the form of content creation but does not include distributing the textures "as" textures regardless of personal modifications made to the original textures.

## TERMS & CONDITIONS

### USE IN OTHER WORLDS AND GRIDS

Textures purchased directly from our website paid by PayPal and downloaded to your computer may be used in other grids and virtual worlds under the "Any World" license. Visit [www.texturesrus.net](http://www.texturesrus.net) for more information on extended licenses.

You may not use textures purchased by the Linden Dollar and delivered within the virtual world of secondlife.com for use outside of Secondlife.com. Please visit [www.texturesrus.net](http://www.texturesrus.net) to review the license types for more information.
