

Thank you for purchasing the Peruse Small Space Set from DAHaus.

The set will sit 4 people as follows:

- Emaiz stool sits both a male and female in single positions and one couple pose. Lady sits on the pillow the man sits on on the stack of magazines. There is a menu once you sit that will come up and give your particular position the different sit options.
- Floor magazine stack sits both male and female in single positions. The female poses are in the stack of magazines. The male sits on the shadow. Once seated you can click anywhere on the stack to access the other poses. There are two ladies, 2 mens.

All poses are adjustable by typing /1a in local chat. Once you save the position it will remember your avatar key and not need to be resat.
