

Thank you for your purchase!

To access the color change menu click on the shadow cast on the floor. This will open a menu that will allow you to change the color of the leather.

To access the sits menu click on the bottom seat cushion.

Should you have trouble with the sits you should reset the piece by clicking the seat cushion and clicking the Menu button. Then click Shutdown and Reset. Close the menu and click the seat cushion to restart the sits.

If additional assistance is required please contact Daedalus Brink.
