

License for full permission textures for Second Life®

Our license (and terms and conditions of use) is included within all our products and is available to view from the product vendors before you make a purchase at our store InSight Designs Textures. It is also available online at insightdesigns.co.uk and as a downloadable PDF at the Second Life Market Place®. It is the Buyer's responsibility to read and understand this license before purchase. If you are unsure about anything in our License, please [contact us](#) directly.

InSight Designs offers textures with **FULL PERMISSIONS** for use only within Second Life®. You may download these textures and edit them within an image editing software but the resulting derivative(s) is still subject to our license. As purchaser you have the right to use them within your personal and commercial projects within Second Life®.

It is **NOT** permitted to:

- sell or distribute any of these textures (including derivatives) for free or commercial gain, or where the derived product you are selling or distributing is a texture or a collection of textures.
- sell or give away any of these textures (modified or not) as a single texture or in a texture pack! (not limited to but including business in a box)
- remove the license (or any other parts) from the pack and redistribute it.
- share our full permission textures (including derivatives) with any third person inside or outside Second Life® and any other virtual worlds or to distribute these textures (including derivatives) on any other website.
- use these textures (including derivatives) within full permission prims, creations and builds within Second Life®.
- share or sell any prims, images, builds and creations that use our textures (including derivatives) with a third person or parties inside or outside Second Life® and other virtual worlds.

All Textures remain the ownership of Amisha March (and real life counterpart) and Lubo Plubeau (and real life counterpart), the Textures are licensed to you only for use within Secondlife®.

All items in the product/files are original works.
