

UKD {Mesh} 360 degree Rental AdBoard – Freestanding

Thank you for buying from UKanDo!

This has been found to be the easiest way to setup your AdBoard for Rental. It is just a suggestion but hope this helps!

1. Rez a copy of your AdBoard, a menu will pop up so click the Close button from now!
2. Right Click on your adBoard then pick Edit!
3. Under the General Tab
 - Locate the Name: field - Rename it to whatever you want them called!
 - Locate the Description: field - add here the cost per week rent (numbers only)!
4. Under Content Tab
 - Double click the notecard called "RentalInfo"
 - Add any additional info you wish the tenant to know (space provided)!
 - Once done click Save! Wait for NC to save then close this notecard!
 - Close the Edit window!
5. Take Renamed configured AdBoard back into you Inventory
6. Rez a copy of this renamed AdBoard wherever you wish to place it!
7. You might want to add a number to the end of the name just so you know which AdBoard is IM'ing you!
8. Use the easy menu to set AdBoard to any of the options shown!

That's it! Enjoy your new purchase and please do feel free to contact me InWorld if you have any problems!
