

## **Tool Shed – USER LICENSE AGREEMENT**

By purchasing items from Tool Shed, you are purchasing a license which grants certain rights to use the textures, sculpts, mesh objects, poses, animations, sounds, scripts, and/or kits (henceforth referred to as components) contained within a package, and that you agree to certain terms and conditions.

To ensure that my User License Agreement remains up-to-date within my Marketplace™ listings, I have included a link that you can visit to view the full TOS.
